2nd Day class

Note:
More Control + More customization + More Flexibility = Code Based frameworks
Easy + Speed + No coding knowledge = No code frameworks

program:

// pip install langchain_openai

```
import os
from langchain_openai import ChatOpenAI

OPENAI_API_KEY = os.getenv("OPENAI_API_KEY")

llm = ChatOpenAI(
    model="gpt-4o",
    api_key=OPENAI_API_KEY
)

question = input("Enter the question: ")

response = llm.invoke(question)

print(response.content)
```
